Remember, remember, remember, remember...

I can remember how you held me, your shoulder always was mine.
I can remember times you told me that everything would be fine.
The secrets that we shared... the hugs when I was scared.
Do you remember? I was your...

DADDY'S GIRL, right from the start.
DADDY'S GIRL, you captured my heart, easily,
Stole it from me, exchanged it for so much love
And memories I dream of...
DADDY'S GIRL, I hear your voice.
DADDY'S GIRL, I see you smile tenderly,
Only for me, I catch that special gaze – the gaze you save for **DADDY'S GIRL**.

Remember, remember, remember, remember...

I can remember my first bluebird, you showed me early one morn.
I can remember how you whispered that night the puppies were born.
The pipe you used to smoke, the way you told a joke.
I still remember, 'cause I was...

CHORUS

DADDY'S GIRL, I know that time will slip away.
DADDY'S GIRL, but I won't let you go.
DADDY'S GIRL, I know our love will always stay.
DADDY'S GIRL, your promise told me so...

DADDY'S GIRL, right from the start.
DADDY'S GIRL, you captured my heart easily,
Stole it from me, exchanged it for so much love
And memories I dream of...
DADDY'S GIRL, oh, I hear your voice.
DADDY'S GIRL, I see you smile tenderly,
Only for me, I catch that special gaze – the gaze you save for **DADDY'S GIRL**.
