You worry that I may not see your love
And if that's true we'll somehow drift apart.
Baby, if you could see when you lie next to me,
Your love is everywhere....

LOVE LIGHTS YOUR EYES,
Softens your voice,
Gentles your touch when you hold me close.
Love fills your smile, sweetens your kiss,
I feel alive when **LOVE LIGHTS YOUR EYES.**

You worry that I may not feel your love.
Someday I just might turn and walk away.
Baby, when we embrace and I look into your face,
Your love is everywhere....

CHORUS

No other lover could take your place.
Oh, Baby, forever, you cannot love me wrong.

LOVE LIGHTS YOUR EYES,
Softens your voice,
Gentles your touch when you hold me close.
Love fills your smile, sweetens your kiss,
I feel alive when **LOVE LIGHTS YOUR EYES.**

Come closer now, our love is right.
Forget the time, now we have all night.
Turn out the light.
Oh, kiss me again, its time for us to fly,
It's time for us to fly....
